

Full-time and Part-time Sanitation and quality control assistant positions:

Our company is looking for a full-time and a part-time sanitation and quality control assistant for our rental warehouse.

Our rental warehouse consists of a large variety of dishware, glassware, flatware, catering equipment and an abundance of other rental equipment such as ovens, grills, popcorn machines, etc.

We are looking for someone that is able to perform basic dishwashing and dish drying duties as well as inspecting these items for cleanliness before they are sent out to our customers.

The basis of your job will be cleaning and inspecting, but you must be able to multi task and move from one task to the next when inventory is needed to go out urgently.

Candidates must be able to lift at least 50 pounds.

Hours will be:

Monday through Friday 9-5 for full-time and will be discussed for the part-time position.

\*Pay rate to be determined based on experience
