Fonthill Castle is the perfect setting for Grand seasonal outdoor tented wedding receptions! With capacity to 200 guests with tenting (included) or intimate indoor wedding reception capacity under 40 guests year round.

Fonthill Castle is approached down a long buttonwood tree-lined drive and is surrounded by 30 acres of rolling lawns, peaceful woodlands and pretty meandering streams. Events at Fonthill are a feast for the eyes and senses: enjoy cocktails on the balcony of the Terrace Pavilion before descending the curving staircase to dine and dance under chandeliers in the intimate White Wedding Tent nestled beside the castle.
